

COVID-19 Cancelation

Dear Servants:

As Sunday School coordinator servants and Abouna, we discussed the Coronavirus and COVID-19 fast spread in the recent days and it's potency.

In the interest of safety and as a precautionary measure, we have decided it is best to put Sunday School on-hold effective this Saturday, March 14, until the situation is under control. This will include other services such as Servants Preparation and Friday youth social night.

Although this may seem a bit drastic, we all need to do our part to protect our beloved children and congregation. We pray our Lord protects us from all danger.

Please forward to all your class groups and there will be a general church email accordingly.
