

# Servants Preparation Program Home

## Welcome Message

St. George's Servants Prep is dedicated to creating passionate and capable servants who thrive upon spreading Christ's love among their Christian brothers and sisters. The detailed curriculum is built to thoroughly prepare participants to enter the service by establishing a strong backbone of spiritual knowledge. The program is designed to equip the future servants with the tools they need to serve at various different levels.

## Mission

The mission of St. George's Servants Prep is to provide participants with the drive to honour their Heavenly Father through serving others in any way they can. Through delivering participants an effective Orthodox education, they are able to strengthen their faith and establish a genuine passion for the service.
